Washtenaw Community College
Operating Millage Renewal Proposal

This proposal will permit the College to continue to levy up to 0.85 mill that was previously approved by electors to fund operations for 10 years. Of the 0.85 mill, 0.8109 mill represents a renewal of the 0.85 mill authorization approved by the electors in 2016, which will expire with the 2026 tax levy and 0.0391 mill represents a restoration of that portion of the same millage authority which was reduced by application of the Headlee Amendment.

Shall the limitation on the total amount of taxes which may be imposed on taxable property within the Washtenaw Community College district, State of Michigan, be increased by 0.85 mill (\$0.85 per \$1,000 of taxable value) for a period of 10 years, the years 2027 to 2036, inclusive, as a renewal of the 0.8109 mill previously authorized by the electors which expires with the 2026 levy plus new additional millage in the amount of 0.0391 mill, to provide funds for operating purposes?

It is estimated that 0.85 mill would raise approximately \$21,933,415 when first levied in 2027.
