Proposal to Replace Ann Arbor Township Public Safety Millage to Previously Authorized 3.98 mills

Shall the previously authorized charter millage for Ann Arbor Charter Township, Washtenaw County, Michigan of up to 3.98 mills for police and fire protection services, which had been decreased due to the Headlee Amendment to 3.9437 mills, and which expires on December 31, 2026, be increased to 3.98 mills, the original amount authorized by voters in 2006, and levied for another five years (2026 through 2030 inclusive) in an amount not to exceed 3.98 mills on taxable real and personal property ($3.98, per $1000 of taxable value) to continue to provide funding for operating, equipping, upgrading, maintaining, constructing, purchasing or any other purpose authorized by law for fire or police protection services, raising an estimated $3,088,627.47 in the 2026 calendar year?

Local School District

Public Schools of the City of Ann Arbor Building and Site Sinking Fund Millage Renewal Proposal

This proposal will renew the authority last approved by the electors in 2017 and which expires with the 2026 levy for the School District to levy a building and site sinking fund millage. Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses.

Shall the Public Schools of the City of Ann Arbor be authorized to levy 2.4031 mills ($2.4031 on each $1,000 of taxable valuation), for a period of ten (10) years, being the years 2027 to 2036, inclusive, as a renewal of millage previously authorized, to maintain a building and site sinking fund to be used for the construction or repair of school buildings, school security improvements, the acquisition or upgrading of technology, the acquisition of student transportation vehicles, trucks and vans and parts, supplies and equipment used for the maintenance of these vehicles and for any other purposes permitted by law? This millage if approved and levied would provide estimated revenues to the School District of approximately $33,766,376 in the first year that it is levied.

Community College

Washtenaw Community College Operating Millage Renewal Proposal

This proposal will permit the College to continue to levy up to 0.85 mill that was previously approved by electors to fund operations for 10 years. Of the 0.85 mill, 0.8109 mill represents a renewal of the 0.85 mill authorization approved by the electors in 2016, which will expire with the 2026 tax levy and 0.0391 mill represents a restoration of that portion of the same millage authority which was reduced by application of the Headlee Amendment.

Shall the limitation on the total amount of taxes which may be imposed on taxable property within the Washtenaw Community College district, State of Michigan, be increased by 0.85 mill ($0.85 per $1,000 of taxable value) for a period of 10 years, the years 2027 to 2036, inclusive, as a renewal of the 0.8109 mill previously authorized by the electors which expires with the 2026 levy plus new additional millage in the amount of 0.0391 mill, to provide funds for operating purposes?

It is estimated that 0.85 mill would raise approximately $21,933,415 when first levied in 2027.
